Retiree Benefits

Which Plans Continue During My Retirement?

One of the factors to consider when you are thinking about retirement is post-retirement benefits. Here is an overview of your benefits and which coverages can continue into retirement.

Medical	<p>Your Montefiore medical benefits stop when you retire.</p> <p>If you are eligible, you have a one-time opportunity at retirement to elect coverage under the Montefiore Medical Center Health Plan for Retired Registered Nurses. You can waive this coverage at any time. Keep in mind, however, that an election to waive coverage is irrevocable. If you do not enroll at the time you retire or if you elect and later waive coverage, you will not be able to elect Montefiore Retiree Medical coverage again in the future.</p>
Dental	<p>Your Montefiore dental benefits (Montefiore's Dental Benefits or the DMO) stop when you retire.</p>
Flexible Spending Accounts (Health and Dependent Care)	<p>Stop when you retire.</p>
Life, AD&D and BTA	<p>Montefiore provides continuing Life Insurance at no cost you. The amount of coverage depends on your age at retirement. Accidental Death and Dismemberment (AD&D) Insurance and Business Travel Accident (BTA) Insurance end when you retire.</p>
Disability Benefits	<p>Short-term, Intermediate-term and Long-term Disability benefits end when you retire.</p>
Pension	<p>You may be eligible to receive a pension from:</p> <ul style="list-style-type: none">• Montefiore Medical Center Voluntary Tax Deferred Annuity 403(b) Plan• NYSNA Pension Plan.

Am I Eligible For Retiree Health Benefits?

You are eligible for the Montefiore Medical Center Health Plan for Retired Registered Nurses if:

- You retire from Montefiore Medical Center at age 60 or older
and
- At the time of your retirement you were represented by the New York State Nurses Association
and
- For the 10 consecutive years immediately prior to your retirement you were a full-time or part-time registered nurse and participated in a Montefiore-sponsored health plan (including waiver of coverage)
and
- You elect to receive pension benefits from a plan to which Montefiore contributes.

Are My Dependents Eligible For Retiree Health Benefits?

Your family members are eligible for medical benefits under the Montefiore Medical Center Health Plan for Retired Registered Nurses if they were covered as eligible dependents under your policy by one of the medical options available under the Registered Nurses Benefit Program immediately prior to your retirement.

If you remarry or establish a new qualified same sex domestic partnership after your retirement, your new spouse or qualified same sex domestic partner and any new dependent children will not be eligible for coverage.

How Much Will I Have to Contribute?

- **For Retiree Medical Benefits** – If you were an eligible full-time registered nurse and worked at Montefiore for 10 consecutive years immediately prior to retirement, Montefiore Medical Center currently pays the full cost of Retiree Medical coverage for you and your eligible family members.

If you were an eligible part-time registered nurse or worked part-time at any time during the 10 consecutive years immediately prior to retirement, you contribute towards the cost of Retiree Medical coverage. You can obtain the amount of any required contributions from the HR-Benefits Office.

- **For Retiree Life Insurance** – Montefiore currently pays the full cost of Retiree Life Insurance. You pay nothing.

When Does Coverage Begin?

Retiree Medical and Life Insurance coverage begins on the first day of the month on or after your first day of retirement provided you make any required contributions and submit the required forms to Montefiore's HR-Benefits Office before then.

What Benefits Do the Retiree Plans Provide?

Here is an overview of Retiree Benefits. Benefits may be subject to certain restrictions and limitations.

The Montefiore Medical Center Health Plan for Retired Registered Nurses

The Montefiore Medical Center Health Plan for Retired Registered Nurses provides:

- Hospital benefits – which pay for covered expenses such as semi-private hospital room and board, as well as certain alternatives to in-hospital care
 - Medical/Surgical benefits – which help pay the cost of medical services and supplies – after you meet the annual deductible
- and*
- Prescription Drug benefits – which help pay the cost of prescription drugs obtained at a participating retail pharmacy or through the Medco By Mail Program.

If You Are Medicare Eligible

If you are Medicare-eligible, your Montefiore Retiree Medical Benefits are determined assuming you are enrolled in both Parts A and B of Medicare – or a Medicare option. You must comply with all requirements imposed by the Medicare option that you select. In addition, this Plan will not pay charges that are denied by Medicare as a result of your failure to comply with Medicare pre-admission or second surgical opinion requirements.

Medicare pays its benefits first. Then, retiree medical coverage will reimburse the following expenses, which are *not* covered by Medicare:

- The Medicare deductible for in-hospital care (\$1,156 in 2012)
 - The Medicare copayment for the 61st through the 90th day of in-hospital care in a semi-private room (\$289 in 2012)
 - The Medicare copayment for the 91st through the 150th day (60-day lifetime reserve) of in-hospital care in a semi-private room (\$578 in 2012)
 - All covered expenses for the 151st through the 365th day of in-hospital care in a semi-private room
 - The Medicare copayment for the 21st through the 100th day in a skilled nursing facility – following a hospital stay of at least three days (\$144.50 in 2012)
 - Accidental injury or emergency occurring outside of the United States
 - Outpatient prescription drugs (if you are not enrolled in Medicare's prescription drug coverage)
- and*
- Outpatient mental health care.

Coverage for any other expenses you incur that are not paid (or fully reimbursed) by Medicare will depend on how Medicare's reimbursement compares to reasonable and customary limits under your Retiree Medical coverage.

Treatment Using Preferred Providers

If you are Medicare-eligible, you should use providers who accept Medicare assignment. Providers who do not accept assignment may charge up to 15% over Medicare's approved amount for services.

If You Are Not Eligible For Medicare

Retiree Montefiore Provider Network

The Medical Center encourages you to use Montefiore providers and facilities by offering the following services – *free of charge* – for you and your covered family members:

- Services provided by a Montefiore Medical Group (MMG) primary care physician at a Medical Group facility
- Services provided by Moses, Weiler, North Division and the Children's Hospital at Montefiore, Montefiore Ambulatory Surgical Facilities, Montefiore Imaging Center and Montefiore Department of Radiology)
- Laboratory tests performed at and billed by Quest Laboratories, LabCorp, Moses, Weiler, North Division and the Children's Hospital at Montefiore.

Empire Provider Network

If you are not yet eligible for Medicare, you may save money on certain health care expenses by using the Empire Provider Network. Montefiore has contracted with Empire for access to its network of physicians, hospitals and other health care providers. You can visit any physician in the Empire Indemnity Network, Empire Behavioral Health Network and Montefiore Integrated Provider Association (MIPA) in any specialty without a referral.

Empire Network providers agree to provide services at a discount, resulting in lower out-of-pocket costs to you. The discount applies to the cost of covered services provided (subject to any deductible or coinsurance). It does not affect the cost-sharing percentages for out-of-network care established by the Plan. For example, if you visit a physician who participates in the Empire Indemnity Network, the Plan pays 80% and you are responsible for 20% of the discounted rate.

MMG and MIPA physicians are listed on the Empire Website

www.empireblue.com/montefiore, or you can contact Montefiore CMO Customer Service Department at **914.377.4400**.

To find an Empire Indemnity Network provider, you can call the Empire Customer Service Call Center at **866.236.6748** or go to www.empireblue.com/montefiore.

² Reasonable and customary rates are set at 330% of the National Medicare Physician Fee Schedule (or approximately at the 70 th percentile). Social Security and Medicare

How Do I Apply For Social Security And Medicare?

You may be able to apply for Social Security retirement benefits online by visiting the Social Security Website at www.socialsecurity.gov. You must first answer a series of questions. Your answers will determine if you can apply online. Once you enroll for Social Security benefits, you will automatically be enrolled for Medicare when you become eligible (generally at age 65).

Otherwise, you can apply by calling Social Security's toll-free number, **800.772.1213**. Social Security representatives can make an appointment for your application to be taken over the telephone or at any convenient Social Security office. If you are deaf or hard of hearing, you can call Social Security's toll-free "TTY" number **800.325.0778** from 7 a.m. to 7 p.m. Monday through Friday.

If you are Medicare-eligible and enrolled for Montefiore's retiree medical coverage, you do *not* need to enroll in Medicare's prescription drug coverage. That's because Montefiore's plan provides benefits for prescription drugs that are at least equal to Medicare's. You can find more information in the Medicare Prescription Drug Notice beginning on page 11.

When Should I Apply?

To make sure that your Social Security retirement benefits and Medicare Part B coverage start date are not delayed, you should apply three months before the month you reach age 65. If you enroll for Medicare Part B and/or Medicare prescription drug coverage after you become eligible, you may have to pay more for your coverage.

What Documentation Will I Need?

When you apply for Social Security, you will need the following information:

- Your Social Security Number and birth certificate
- Your W-2 forms or self-employment tax return for last year
- Your military discharge papers if you had military service
- Your spouse's birth certificate and Social Security Number if applying for benefits
- Children's birth certificates and Social Security Numbers, if applying for children's benefits
- Proof of U.S. citizenship or lawful alien status if you (your spouse or child applying for benefits) were not born in the U.S.
- The name of your bank and your account number so your benefits can be directly deposited into your account.

You must bring or submit original documents or copies certified by the office issuing the paperwork. Social Security will make photocopies and return your documents to you.

What Benefits Does Medicare Provide?

Medicare's publication "[Your Medicare Benefits](#)" explains the rules about which health care services and supplies Medicare covers, what specific benefits you can get, and when you can get them. It also explains how much Medicare pays for each service, and how much you pay.

What are the 2012 Medicare Deductibles and Copayments?

Medicare Part D Notice

Important Notice from Montefiore Medical Center about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Montefiore Medical Center and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Montefiore Medical Center has determined that the prescription drug coverage offered by Montefiore's medical options is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, you will still be eligible to receive all of your current health and prescription drug benefits, provided you continue your Montefiore coverage.

Here is an overview of Medicare's standard level of prescription drug coverage.

2012 Medicare Standard Level of Prescription Drug Coverage
You pay the first \$320 of prescription drug expenses (annual deductible)
You pay 25% of the next \$2,930 of prescription drug expenses; Medicare pays the rest (75%)
You pay 100% of the next \$3,647.50 of prescription drug expenses (A 50% discount applies to covered brand name drugs and a 14% discount for generic drugs.)
Once you pay \$4,700 in out-of-pocket expenses for prescription drugs for a covered person, you pay 5% (or a small copayment) of any remaining prescription drug expenses for that person for the rest of the calendar year; Medicare pays the rest.

If you do decide to join a Medicare drug plan and drop your current Montefiore coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Montefiore Medical Center and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about this Notice or Montefiore Prescription Drug Coverage

Call Montefiore's HR-Benefits Office at **914.378.6531**.

NOTE: You will receive this notice each year before the next period you can join a Medicare drug plan, and if Montefiore's coverage changes. You also may request a copy at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is available in the "Medicare & You" Handbook. You'll get a copy of the Handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" Handbook for their telephone number) for personalized help.
- Call 800-MEDICARE (**800.633.4227**). TTY users should call **877.486.2048**.

If you have limited income and resources, extra help paying for a Medicare prescription drug plan is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call **800.772.1213 (TTY 800.325.0778)**.

Remember: Keep this Creditable Coverage Notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained Creditable Coverage and whether or not you are required to pay a higher premium (a penalty).
